Celebrate with us

The Guelph Community Foundation - Fall Event

On Thursday, October 2 from 4:00-6:00 PM, we invite you to join us at the River Run Centre to *celebrate* our 2014 grant recipients and *honour* our visionaries, volunteers, and donors. If you can attend, please RSVP to specialprojects@guelphcf.ca, or register on [Eventbrite](#).

Can't make it? If you would like to acknowledge the extraordinary work of our community organizations, consider a donation to our [GCF Community Fund](#). Anyone can give any amount to our Community Fund.

Our report to you

It is that time of year when we release our [2013 Report to the Community](#). As you read through the report, you will learn more about our successes and challenges. You will hear from a variety of community organizations and you will see first-hand how they continue to make a difference. The report allows us to communicate with the community at large. It lists grants we provided to charitable organizations, our funds and community giving, and the leadership work we share.

Vital Signs 2014 launches on October 7

Community Foundations of Canada is launching the Vital Signs 2014 national report on October 7, 2014. The event will feature CFC's President Ian Bird and will also kickoff the local Vital Signs reports in 49 communities across the country. Visit www.vitalsignscanada.ca for more information about the program.
