

Volunteers Needed

Are you an enthusiastic changemaker looking to give back and to support the charities in your community? Do you know a community-minded individual who enjoys collaborative work and would be interested in joining a local volunteer group?

If so, we'd love to hear from you!

The Guelph Community Foundation is looking for volunteers to join one of our committees and three of our dynamic working groups:

Grants Committee:

Reviews and makes recommendations to the Board of GCF regarding grant applications and performs follow-up assessments of grants made. This committee's meeting schedule varies with 5 to 6 meetings per year. The term of office for this committee is three years

Stewardship Working Group:

Connects with fundholders and donors at the Foundation to make sure these supporters are kept up to date with Foundation news, community impact and other important information. This working group meets quarterly and members of this group interact with 5 – 10 individuals per year.

Marketing and Communications Working Group:

Identifies effective communications to improve the public awareness of GCF, provides marketing assistance, and develops an annual marketing plan. This committee supports many of the Foundation's other working groups including the Fundraising / Special Events Working Group. Meetings usually take place every 6 weeks for 1 hour.

Fundraising / Special Events Working Group:

This new working group at GCF has the ambitious goal of hosting 2 events in 2022, ramping up to 4 in 2023. The fundraising events will be creative and diverse. These events will support the Foundation, identify future development opportunities, and seek to engage the entire community. Meetings for this group are expected to be monthly.
